We also sent a copy home with the report cards.

## Principal Corner

I wanted to take a moment to thank all of our families for their love and support of Lincoln Primary School and staff over the years.

When I started at the Pre-k-2<sup>nd</sup> grade level in 2013 my goal was to increase the test scores and create a positive learning environment for students and staff. I believe those goals have been accomplished. The school is an extremely positive place to come to work and learn. Lincoln is a family where everyone helps each other out, and our test scores are very impressive.

As I reflected on whether or not to move on, I knew that I had taken Lincoln as far as I could, and it was time for a change. My heart is heavy leaving as I will miss the families, students, and staff. I'm grateful to still have a role in this District and plan on continuing to guide the district in a positive direction.

I know that Ms. Bjerke, your new leader, will continue the positive direction.
