**Report Cards** were sent last week. If you did not receive your child's, please message Mrs. Scholler.

**New Sign In/ Out** - Starting this week, we are going to have parents sign in when a student arrives late or is picked up early. This is an extra safety step we are taking to ensure attendance is accurate and we can account for all students. Thank you for helping us with this!

**Friendly Reminder!** Valentine Day treats, birthday treats and all snacks brought to the school to share with students **NEEDS TO BE STORE BOUGHT!** We have a lot of different allergies, and to keep everyone safe.

Please help us with this by only sending store bought!

## Attendance Matters:

Chronic absenteeism for our school means missing more than 20 school days in a calendar year. This is actually quite a bit of school and over time can greatly affect a child's ability to be successful in school.

We have a number of students that are approaching 20. Therefore, we will be scheduling meetings to discuss options to help families get their child to school.

If attendance does not improve then legally we have to file truancy charges with the county attorney. MCA 20-5-5106

We appreciate parents who keep their child at home when they are sick, and communicate with the school regarding these absences. To have a medically excused absence (one that does not count toward the 20 days) the school must have a doctor's note or make an arrangement with our schools' nurses. When reviewing attendance all of these factors are considered while following our multi-step truancy program.

## "I Love to Read" Update:

Our paper chain has made it up the stairs. Please keep reading books, writing their titles on the papers and sending them back to school!

Pizza Hut night was a huge success! They ran out of pizza! Thank you for going and supporting our school. All funds go back to students.

The **Hangout** field trip is Monday! We will supply books and hot beverages for everyone! Make sure you show up when your child's class is scheduled. Parents will enter the Hangout when their child's class enters the building. Please be prompt as each class only gets 20 minutes. We are so excited to see everyone!

# CANNED FOOD DRIVE
