

Title I, Part A

- **Title I, Part A** is a federal program that serves the unique needs of children – kindergarten to grade 12 – who struggle to learn. Title I programs and services enrich time at school with customized instruction and curricula that helps these students meet academic standards and take an active, engaged interest in what they learn and can do.
-
- As the oldest and largest federal education program, Title I programs build equity of opportunity for children whose struggles often keep them on the academic sidelines.
