

District Programs:

Birth to 3/Evaluations for Infants and Toddlers:

The Lake Chelan School District contract with the North Central Educational Service District #171(NCESD) Birth to 3 program in Wenatchee for children birth to age three. They can be found at <http://www.ncesd.org>

Early Childhood Special Education Program

- ChildFind and screening for 3 to 5 years of age
- Team evaluation of development skills
- Integrated preschool programs
- Developmental preschool for qualified students age 3 and 4 years old

Elementary/Secondary/Transition Special Education Programs

- Integrated program with consultation between the regular and special education staff
- General education classes with in-class special education and/or related services
- Pull-out for special education and related services
- Self-contained program for students with more severe disabilities

Student programs are developed according to the individual needs of the student. High school students begin work on transition needs to meet post-secondary outcomes. These outcomes may include college or vocational school, jobs, independent or supported living
