

Transportation Contract

The Bret Tarver Education Complex provides transportation to the Isaac Preschool students who live *in district designated transportation areas*. However, it is necessary to let you know that if you choose to have your child ride the bus you or a designated adult must meet him/her at the bus stop after school. Your child must also have a nametag to board the bus. You must make sure that your child rides the bus most of the time. You must abide by the “*five-day rule*” that states if a student does not take the bus for five consecutive days, that bus stop ends.

Three (3) violations during one semester will end your child’s bus transportation privilege.

Please read the following procedure before making your choice below:

- The **1st and 2nd violation** notice will be signed by the parent and placed in the child’s file with a copy for the parent and the classroom teacher.
- The parent will sign the **3rd violation** notice and copies will be given to the parent, classroom teacher, and the Isaac School District Transportation Dept. Your child will be taken off the bus list.

If there are special circumstances or problems that we should be aware of, please communicate them to us and we will make every effort to assist you.
