FROM THE ELEMENTARY PRINCIPAL

3rd Grade Field Trip

Our 3rd Grade classes are going to the Fiske Planetarium next week. It should be an out of this world experience! Field trips are aligned to what students are learning, as well as an opportunity to be a part of the bigger community. If you have any questions about the field trip, please contact your child's teacher

Reading Challenge

Our annual Reading Challenge is coming soon! Students have been reading so many books that our caterpillar has grown all the way upstairs and is about to head downstairs. Keep filling out those circles with books you have read so we can see how long the caterpillar will get by the time the Reading Challenge gets here.

FROM THE MIDDLE SCHOOL PRINCIPAL

Honor Roll

Last Friday, we awarded 85 middle school students for achieving a gpa of 3.5 or above in the first semester. We are so proud of their accomplishments and are cheering them on to achieve an even higher number in the second semester!

FROM THE HIGH SCHOOL PRINCIPAL

All sophomores will be taking the CLT10 on Thursday, February 3rd and all juniors will be taking the CLT the following week on Thursday, February 10th. Both exams begin promptly at 8:00 am so please plan to come early on those days.
