January 28, 2022

Students, Parents and Guardians,

On Wednesday, January 26<sup>th</sup>, the School Board held a special meeting and passed a resolution to have a late start to the school day. Our schools are currently experiencing substitute shortages, coupled with marked increase in student and staff absences. This extra time in the morning will provide teachers with additional time to prepare distance-learning materials for students who are absent and increase parent communication. By providing additional prep time in the morning, teachers will be available to cover for other teachers when they must be absent. Our goal is to keep our schools open and in-person. The change in schedule will not be permanent - it is set to expire by Spring Break at the latest.

Starting February 7<sup>th</sup>, students will begin classes at 9:00 a.m. and the day will end at the regularly scheduled time of 3:20 M-Th and 2:10 on Friday. Please see page two for the schedule. This document will be emailed to all parents and students with current email addresses and posted on the school website.

Bus transportation will remain the same, students who ride the bus will get to school quite a bit earlier than when class begins. There will be supervision classes begin. We anticipate having aide staff available for homework help in both the Library and Commons. Students will have the opportunity to get some exercise, catch up on homework and have breakfast. Breakfast will be served until 9:00 and available for all students.

Please note, this schedule is specific to Siuslaw High School. Siuslaw Middle School has a slightly different modification and Elementary schedule remains unchanged.

Respectfully,

Mr. Harklerode

Principal, Siuslaw High School
