Mission Statement: Educating students to be accountable, competent, and confident as they pursue their passion in an ever changing world.

Make Each Day Count By: Mrs. Dockter

Winter has certainly made life interesting this past month. When it's not very nice outside, it is such a temptation for me, and maybe for some of you, to develop a "just get through the day" mentality and hope for spring. It has to get here sooner or later, right? However, this is North Dakota, and we have a lot of not very nice weather days. If I start wishing days away, I am going to miss a lot of moments that should be celebrated.

As a Midkota staff, we recently had the privilege of listening to Dr. Rod Jonas, Dean of the University of Mary Liffbrig Family School of Education and Behavioral Sciences, for one of our professional development days. He spoke on the characteristics of mentally strong people, and part of what he covered was material from the book, "13 Things That Mentally Strong People Don't Do," by Amy Morin. Dr. Jonas translated one of those items to be, "Mentally strong people don't wish their days away, hoping for something better." That point really got me thinking, "How can I celebrate these cold winter days?" How can I celebrate these times that are not necessarily "cloud 9" days?

I did a little research. Did you know that there is a "national" day for just about everything? The following are just a few of the days that are coming up, according to the "National Day Calendar" online: Feb. 1 is National Dark Chocolate Day, Feb. 2 (in addition to Ground Hog Day) is National Tator Tot Day, Feb. 3 is National Carrot Cake Day, Feb. 4 is National Homemade Soup Day, Feb. 5 is Ice Cream for Breakfast Day, and that's just the first five days. Think of all the celebrating and eating we could do. 😊 Anyway, delicious food aside, I think the point is that we need to look for reasons to celebrate, especially when it is hard to do so. In a small school, I believe that we know our students well enough to celebrate victories with them, be they big or small. Johnny may not have aced his math quiz, but he did better than last time and got all of his assignments in. Susie may not have made the game-winning shot, but she played as part of a united team. Let's all look for these victories, big or small, for our students and for each other and celebrate them. Then let's eat cake! 😊

FACULTY FEATURE

Rami Topp

Mrs. Rami Topp is Midkota's 6th-grade teacher who also teaches 5th-grade math. She is also the Drama director for the Mustangs.

For Mrs. Topp, all classes have their perks to teach, but math is her favorite because she gets to watch students critically think and solve problems in their own creative way! A good day at school includes the smallest of things—witnessing compassion between students, getting to make memories and create inside jokes with students, watching students do their best and make progress—however small!—math facts, handwriting, effort, all of it makes her heart beam! Laughter and/or deep, meaningful moments and conversations warm her heart as well.

Mrs. Topp loves her Midkota Family— because we care about each other and want everyone to succeed, staff and student alike. The support, encouragement, friendship, and family feel here is unmatched.

Mrs. Topp is married to Jason Topp. They have two toddlers; Nathan (3), who is a mini rancher with dramatic flair, compassionate big brother, super goof. They also have a daughter, Teagan (1 1/2), who is a lover of all babies, and a baby girl due in early February! The family also has a cow dog named Kira, Nickel the Golden Retriever, and Mayberry the cat, a great mouse hunter.

Mrs. Topp's hobbies consist of theatre, singing, spending time with horses. Unfortunately, Mrs. Topp would say "mine," but one passed away this summer, and they sold the other to a cousin for ranching purposes." You can also find Mrs. Topp watching Christmas movies and jamming to Christmas music at any given time of the year—it is the most wonderful time of the year and should be in our hearts year-round!

Charla Hoyt

Charla is the Assistant Business Manager for Midkota Public Schools. You can find her at the high school! Charla is from Tolna and attended Valley City State University, where she earned a degree in Office Administration & Management with minors in Psychology and Human Resources.

Charla has two children, Mikayla (22) and Wyatt (14), who are her inspiration. You can find Charla working for the school during the summer or enjoying some time by the pool. She also enjoys going to Wyatt's games and spending time with friends and family.

A good day working at the school for Charla is when everything runs correctly, especially the internet! Charla's favorite part about Midkota is the sense of family.

Greetings:

The 4th, 5th, & 6th grade music classes have been inspired to do a project-based learning experiment. We are asking for the Midkota community to donate items to homeless veterans and their families. They need things like hygiene products, warm clothing, blankets, and food.

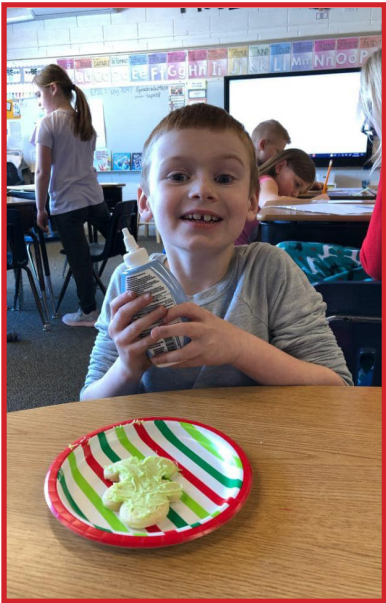

VETERANS NEED OUR HELP!

We found a Veteran's Resource Center in Devils Lake, ND where we will drop off the donated items. Please drop off items (between January 26th - February 15th) at the Midkota Elementary School in Binford. All items will be delivered to the Veterans' Resource Center. The resource center serves a large area of north and east-central North Dakota. Thank you for your help!

-Midkota 4th, 5th, 6th grade students

Here is a list of items recommended for donation: First aid kits, water bottles, soap, toilet paper, nail clippers, quilts, dental floss, paper towels, food, hats, gloves, sweatpants, underwear, blankets, tarps, Walmart gift cards, sweatshirts, toolsets, face masks, hair brushes, toothbrushes, toothpaste, and deoderant.
