Central Office

(573) 486-3197 ext. 2402

Elementary Office

Enrollment is open to **ALL** students **entering** kindergarten through 8th grade for the **2019-2020** school year. This program is open to students from **ANY** school district and is **free of charge.**

***Please consider taking advantage of this great opportunity for your child! Education is the key to success!!**

Students Entering Kindergarten in the 2019-2020 School Year:

Incoming kindergarten students will have the opportunity to “jump start” their kindergarten year. Students will practice skills such as letter and sound recognition, name writing, counting, pre-reading and writing skills and much more. Your child will become familiar with school routines, which will help them have a smooth transition into their kindergarten year. This is great way to start your child’s education.

Students Entering 1st through 8th Grade for the 2019-2020 School Year:

The summer program will focus on core academic subjects (reading, writing and math) through fun and engaging activities. This beneficial experience will be both entertaining and educational as we explore Hermann and promote our community. This program is great for students of all levels. Teachers will strive to provide each child with the academic support they need to keep their minds strong over the summer months. This is a great opportunity to help keep your child learning and growing.

Location

Summer School is located at Hermann Elementary School (328 West 7th Street).

Attendance

Regular attendance is strongly encouraged, but it is also understood that students and their families may have obligations that may cause them to have an occasional absence. This should not deter you from enrolling your child in the program. Your child will benefit from attending as many days of the summer school program as possible.

Transportation

Bus transportation is available; however, summer school bus routes are different from the routes during the regular school year. Students must get on and off the bus at **designated pick-up/drop-off points** OR **locations along the designated routes**. Students will not be picked-up or dropped-off at other locations. A summer school bus schedule is included in this packet for your reference. **TIMES ARE APPORXIMATE AND ROUTES MAY VARY FROM THE PRINTED SCHEDULE** depending on actual enrollment in summer school.

Meals

Breakfast and lunch will be provided **FREE OF CHARGE** to **ALL** students (18 and younger) enrolled in the summer school program through a grant provided by the Summer Food Service Program (pending approval). Students may also bring their lunch from home. (This opportunity is open to **ALL** children 18 and younger; participation in summer school is not required to join us for these healthy meals.)

Attendance Incentive

We plan to have an attendance incentive trip to the pool the first 3 Fridays of summer school for students with 100% attendance each week, with a possible special incentive for all students with no more than two missed days the final Friday of Summer School. This is not designed to be a punishment, rather a reward for regular summer school attendance. (Please complete the included two-sided travel release form for all trips within city limits throughout summer school. Please see the detailed information included in this packet about the pool incentive guidelines.)

Communication

If you have any questions or concerns about summer school, please feel free to contact me anytime. I appreciate close communication so we can serve your child/children in the best way possible. During summer school hours, please call the elementary office, so you will get immediate assistance. The summer school staff and I look forward to learning and growing our minds with your children through our summer learning adventures!

-Maranda Anderson

Enrolling your child (return all completed forms)

Complete one Enrollment Form for EACH child.

Please complete the attached enrollment form for your child and return it to any school office.

Complete one Health Form for EACH child.

Please complete the attached health form for your child and return it to any school office.

Complete one Travel Release Form and one Hold Harmless Form for EACH child.

These forms are necessary to allow your child to attend our learning or incentive opportunities within city limits throughout summer school.

PLEASE ENROLL YOUR CHILD/CHILDREN EARLY!!!

The earlier we can get enrollment forms, the more prepared we can be for your child's summer learning adventure!
