THE MARSHALL MUSTANG

February 2022

Principal's Message

Dear families,

We have finished another amazing month at Marshall. We are so glad to have our students back in person after our temporary move to remote learning. Our staff have been busy putting together your student's report cards and students have been working hard learning and growing their brains. Last month, our very own Mr. Weiss and Ms. Moll created our MLK assembly and shared it with students and staff. While we were remote, I was able to join several classrooms and see learning of all sorts but it was so great to have everyone back on Monday for in person learning. Plory also visited each classroom in January to share a message with students. Plory is a character from our newly adopted iReady math curriculum. "Do your best work and try even when math is hard at times," was the message Plory shared with each of our students. We've had a lot of wonderful learning experiences this year and with that, we'd love to get some feedback from you as we continue to plan and head into the second half of the year:

We would like to increase our messaging through social media in order to highlight some of the amazing things our students are doing. We encourage you to let us know if you do not want your child's photograph shared via social media by letting the office know. We have a few different ways of communicating. Our primary ways are communicating via phone calls and emails. We will also push information, pictures, and celebrations out to our social media handles listed below. We encourage you to follow us on any or all of our social media platforms.

immunizations

For the health and safety of all, students and staff alike, immunization compliance is an ongoing effort. The process involves review and documentation of individual student records along with notification of

parents when requirements change or their student is out of compliance.

A timely response and reply to notifications regarding your student's immunization needs is greatly appreciated.

Also, should your child receive any additional immunizations (including COVID), please let our Health Room know as soon as possible.

If you have any questions, please feel free to call our office and staff will direct your call to the appropriate staff member.

Thank you,
Marysville School District

REPLACEMENT EDUCATIONAL PROGRAMS AND OPERATIONS LEVY & REPLACEMENT TECHNOLOGY AND CAPITAL LEVY FEBRUARY 8, 2022

On February 8, 2022, Marysville School District will ask voters to renew their commitment to students and schools through two *replacement* levies. The two levies continue support for the educational programs and services students currently receive and provide for the improvement and maintenance of the facilities where they learn and grow. **The replacement levies have a combined lower tax rate reducing the burden of cost to taxpayers by .30 cents per \$1,000 of assessed property value.**
