

Memo

To: Parents and Southwest R-5 Employees

From: Tosha Tilford

Regarding: School Cancellation for SWRV School District (Friday, February 4, 2022)

Date: February 3, 2022

The Southwest R-V School District is cancelled for tomorrow, Friday, February 4, 2022, due to inclement weather. Friday's school cancellation will be counted as AMI Day #3, so students are to complete Friday's assignments. I found the following cartoon and laughed so I hoped to share a laugh with you too.

I found this one and thought it was funny also. I did have to edit the superintendent's name.

Hopefully, the weekend will bring temperatures above freezing and some sun so that this can get melted off the roads so that we can be back in school on Monday. I am sure that some of you are feeling like SpongeBob. LOL

Tomorrow is Friday.

Have a great Friday and a wonderful weekend.
Take care, Ms. Tilford
