February 6, 2022

Good evening Katahdin Families. I'm calling with the weekly district announcements.

Grade 4 students successfully completed the National Assessment of Educational Progress last week. Students were cooperative and tried their best.

Universal masking at KES is aiding in keeping students in school. We will continue to monitor cases and let everyone know when we will return to optional masks.

Our final home basketball games will take place on Tuesday, February 8th at 5 PM & 6:30 PM. Come on out and cheer for our Cougars!

Thanks to Mrs. Hanson for coordinating Ski for Life and thanks to everyone who has participated in making Ski for Life a success so far this season! This is a wonderful outdoor physical activity for all and helps to support wellbeing and healthy immune systems.

Thanks to KMHS students who have been riding their snow sleds to school and being very cautious as they come through the KES trail. Your attention to safety is recognized and appreciated!

Student physicals are scheduled for March 3rd. If you'd like to sign your child up please contact the KMHS office to get the paperwork.

The junior class is selling roses for distribution on February 14th. Please call the KMHS office if you'd like to purchase roses.

28 KMHS students and parents are planning on attending an educational experience in Washington D.C. during April vacation. Bottle donations are being accepted at the Patten Redemption Center to support this trip. Thanks in advance for your support!

Our Collaborative District Admin Team continues to meet bi-weekly to discuss district level initiatives and progress. This bi-weekly meeting is held via Google meet at 2:30 on Tuesdays. All are welcome to attend. If you need the link please reach out to Heather Hale at [hhale@rsu89.org](mailto:hhale@rsu89.org).

Please continue to keep sick children at home to protect our school and community. A link to the Pre-Screening Tool for School Attendance will be on the website and in the email of this message.
