Counselor's Corner

Road to graduation the series

Every CTE Program of Study provides students with in-depth knowledge and leads to an endorsement based on interest or occupational skill. Students earn an endorsement by completing 4 credits each in both math and science, 2 additional elective credits, and the curriculum requirements for the endorsement. At LVECHS there are 6 different types of endorsements available. More graduation info coming soon. Attendance Matters!

Goal: 95%. Top Grade: 9th 88%. Avg: 87%

Our average daily attendance is currently at 87%. The 9th grade has the highest with 88%. Any student who does not meet the 90% attendance rule will not receive credit at the end of the semester. Denial of credit letters were issued this week. Students need to be in school on time, all day, and every day.
