Campus Upgrades-Repairs/Quotes for Future School Projects;
Permanent Modular Classrooms (Modernization)

Mr. Millan reported that our 700 wing is ready and teachers are working from their fully furnished classrooms. The 300 wing is in place already and maybe ready to use by middle of October. The furniture for those classrooms has arrived. Regarding Future Projects, he mentioned that we are looking to upgrade our JH restrooms as they are not ADA compliant for wheelchair use. We are buying more HotSpots and more antennas and also we have rented portable washing stations for one year for the students use. We are also upgrading our safety measures by purchasing new signage: Social Distancing, Walk this Way, etc.

The state has also allowed some of our SpEd students to return to campus; about 10-14 of them. The County would like us to start Covid testing our staff, but many questions remain unanswered Who will test? Where? When?.

Unaudited Actuals
Financial Statements

Ms. O'Shaughnessy mentioned that these reports are done annually. They are the total of all expenses and revenues. Total revenue is over \$10 million and an additional \$2 million involved class projects. A contribution from General Fund to Federal reserves is going to SpEd students. That encroachment is larger as there are more needs. \$483K was used for routine restricted maintenance for our campus.

SPED Students
Return to School

Informational: Mrs. Gomez mentioned that some SpEd will be brought back. We have about 40 SpEd students and about 10 have speech and language disabilities. Most of our students are having trouble logging in and staying focused and some have no access to SpEd services. There have been several lawsuits regarding students not receiving services and the parent won. We want to ensure our students are receiving services so we are bringing them in on Tuesday and Thursday for three hours each day. All safety protocols will be followed including temperature checks and student will meet with SpEd teacher only and Instructional Aide. No others allowed in the classroom.

Staff Profile Booklet
2020-21

A Staff Profile Booklet is provided annually to parents and Board members via an Attachment detailing years of service, qualifications and credential types of all staff.

Motion

Motion by Alex Guerrero seconded by Yaneli Carrillo to approve the Staff Booklet as provided. Vote; 5/0.

Learning Continuity
Attendance Plan
Adoption

The Learning Continuity Plan is being provided in lieu of LCFF and reviews how we spend our dollars. We sent out surveys asking parents about their technology needs and how they wanted to return to school. We have since purchased masks, sanitizers, cleaning equipment and air purifier for the class and antennas, devices and laptops for staff and students. Our teachers planned and trained all summer and are now holding class online via Zoom and Google Classroom. They also communicate easily with parents via Class Dojo and email. Teachers are also completing a Student Engagement Sheet daily to ensure all students are logging in. If they are not, Mrs. Gomez' staff provides intervention and counseling services. Nutrition services are provided by Julie and her staff and meals are also provided to students who live in outlying areas. Some concern with kids not logging in and placing blame on Internet. T-Mobile tower which will be installed soon and will boost everyone's Internet.

Motion

Motion by Yaneli Carrillo seconded by Paul Cervantes to approve the Learning Continuity Attendance Plan as presented. Vote; 5/0.

Fire Life and Safety Action
Plan **Change Order**

We had to Change Order (PC008) because the separate interior classrooms, 11 of them, had no smoke detector which would create a fire issue. Cost of adjustment was \$12,477.

Motion

Motion by Alex Guerrero seconded by Martha Martinez to approve Change Order PC008. Vote; 5/0.

Bring back Some Students

As mentioned earlier, it was discussed that a small population of our Highest Need Special Education students could return to campus. No more than 25% of our highest need students will be on campus.

Motion

Motion by Alex Guerrero seconded by Yaneli Carrillo to approve. Vote; 5/0.

Discard of old curriculum

Shaunta Paquette mentioned that we have some old books that teachers are no longer using that we would like to discard in order to make room in our book room for new materials and resources.
