Blaine School Board Plans Policy Work Session

Wednesday, February 9, 2022 at 5:00 p.m.

The public is advised that the Board of Directors of Blaine School District will hold a work session on Wednesday, February 9, 2022. The work session will start at 5:00 p.m. and is anticipated to last approximately two (2) hours. The purpose of this work session is to review and discuss updates to the 1000 series of the district's policy manual. No action will be taken by the board during this activity.

At the regular meeting on October 25, 2021, the board tabled consideration of updates to the 1000 series until the board can hold a work session for further review. The 1000 series of the policy manual regulates the Board of Directors. Updates to these policies, and their accompanying procedures, were provided by WSSDA pursuant to the district's contract for Policy Manual Review Services.

Pursuant to the Governor's Proclamations 20-28, et seq., related to the COVID-19 pandemic emergency, this work session will include both virtual and in-person components for participation. Live public observation of this work session will be available online. A link for public observation will be provided on the district's Events calendar as well as on the work session agenda which is now available in [BoardDocs](#).

Individuals with disabilities who may need a modification to participate in this work session should contact the Superintendent's Office as soon as possible in advance so that special arrangements can be made.

For more information, contact the Superintendent's Office at 360-332-5881.
