Club Opportunity

hosa future health professionals

The purpose of the HOSA organization is to develop leadership and technical HOSA skill competencies through a program of motivation, awareness and recognition, which is an integral part of the Health Science Education instructional program.

What is Emergency Medical Responder?

This program prepares individuals to provide initial care to sick or injured persons or as ambulance drivers and attendants. The Emergency Medical Responder is the first to arrive at the scene of an injury. Emergency Medical Responders may include law enforcement, lifeguard, fire services or basic life support non-licensed personnel who act as part of an organized emergency medical services team.

Free College Credits

Upon completion of Health Science Anatomy & Physiology, Health Science Foundations, and Emergency Medical Responder 3, students have the opportunity to receive **12 general education credits at Indian River State College.**

Industry Certification

Emergency Medical Responder (EMR)
