February 7, 2022

Dear LCPS Families,

The board would like to provide an update to our families. We will continue to follow Senate Bill 1303 and implement the safety mitigations recommended by the CDC including universal masking.

We are all looking forward to a time when safety mitigations are no longer needed to provide a safe learning environment. Our goals remain keeping our students and staff safe while providing in-person learning for students. We will provide an update when new information becomes available.

Sincerely,  
Lancaster County School Board

Joan Gravatt
