Ms. Baker TK Explorer News

Happy Winter!

January and February have been an amazing study of Roads! We are still hoping to build some bridges and tunnels and create some maps! We'll be talking about the different ways people travel too. This week we did some cutting from magazines to populate our road. We have a horse in a pasture, airplanes and helicopters up high, flowers at the side of our road, people in the crosswalk, a boat in the pond that is beside our apartments and numerous vehicles on the road. We have also been painting boxes and are creating a plan for how to turn them into cars. We discussed driving safety and how a person earns a drivers license.

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
	31	1	Letter Rhymes: e, j, o, a	3	4	
Roads Study: Road Safety and Signs						
	7	8	Letter Rhymes: d, c, g	10	11
