Greetings Centerburg Community,

Today, Friday July 29th, 2022 marks the end of an era. After 20 years with Centerburg Local Schools Mr. Hebenthal will be finishing his last day. In that time he has served as Middle and High School Principal as well as being the Superintendent for the past 10 years. His leadership, hard work and dedication to our students and community is greatly appreciated. I wish Mike the best of luck and much success in his future endeavors.

Parents, as you are preparing for the upcoming school year it's important for you to know who your child's building administrators are. I'm honored and excited to announce that I will be stepping into the Superintendent role. For the past ten years I have been the High School Principal so I'm a familiar face to many of you. Filling the High School Principal position will be John Morgan. Mr. Morgan was recently our Middle School Principal as well the Elementary Principal - again another familiar face. Alexandrea McIntire will be our new Middle School Principal. She has been working in middle school as our 8th grade science teacher. Stephanie Pound is now the Director of Special Education /Federal Programs and Miguel Thompson is the Elementary Principal.

I encourage you to stop in and meet the new administrators even though they are familiar faces. Kindergarten Open House is Monday, August 15th from 6:00 - 7:30 pm. Open house at the elementary building is Tuesday, August 16th from 6:00 pm - 7:30 pm. Open house at the middle school/high school is Monday, August 15th from 6:00 pm - 8:00 pm. 6th grade orientation is also Monday, August 15th at 3:00 pm and 6:00 pm.

I'm looking forward to a great school year. If you have any questions feel free to contact me or any of the administrators.
