

**WHAT TO DO WHEN IT'S...**

# CODE BLUE

## WHEN THE TEMPERATURE DROPS BELOW 32

Under New York State guidance, those experiencing homelessness to be sheltered when it's 32 degrees or colder (including wind chill) outside.

In our communities, each county works collaboratively to provide suitable shelter when inclement weather happens.

**Orleans**  
Sheriff's Dept. and DSS

**Wyoming**  
Police Dept. and DSS

### If you are experiencing homelessness

Contact your local Department of Social Services during regular business hours

Call 2-1-1 for more information and referral services

If a referral agency is not available and you are about to spend the night outside, please call the local sheriff.
