MEMORANDUM

TO: District Superintendents and Business Managers

FROM: Corey Weber, Assistant Superintendent of Business Services

SUBJECT: 2022-2023 FINAL BUDGET ADOPTION

INSTRUCTIONS

Enclosed are the following materials as well as some final budget instructions:

1. Statewide Criteria and Standards Summary review documents.
2. Annual Financial and Budget Adoption Reports for all your funds.
3. Certification of Adopted Budget.

Criteria and Standards

E.C. 42127 states that each district must develop their budget in accordance with the state-adopted Criteria and Standards, make the budget documents available for public inspection and report to the board that all requirements have been met.

The Criteria and Standards review process is based upon compliance with the various criteria and specific standards adopted by the state for the budget development process. If, during the completion of the summary review documents, the district does not meet the state variance for specific criteria, a detailed explanation must be provided. The Budget Certification (form CB in the SACS Software document) displays the summary results of the criteria and standards review, and any required explanations are included on the criteria and standards document.

2022-2023 School District Certification (Form CB)

There is an element of the certification related to the Education Code 42127 which states that if a district adopts a budget with a combined assigned and unassigned ending fund balance above the State Board of Education minimum recommended reserve for economic uncertainties, the district's public hearing for budget adoption must include a **“a statement of the reasons that substantiates the need for assigned and unassigned ending fund balance in excess of the minimum reserve standard for economic uncertainties”**.

We have provided an attachment, *Balances in Excess of Minimum Reserve Requirements*, to assist you in meeting this requirement. The document is included to provide the district with the correct balances that are required to be addressed, but the information can be presented at the public hearing in any format the district deems appropriate. Based on discussions with Department of Education staff, it is our understanding this requirement only applies to the actual “budget” being adopted, or 2022-2023.

May 26, 2022
Page 2

Please be aware that if a district is not able to certify compliance with the requirements of subparagraphs (B) and (C) of paragraph (2) of subdivision (a) of Education Code Section 42127 the county office will not be able to approve the budget.

Budget Adoption Documents

We have prepared the necessary summary review documents based upon information supplied by the district. This report was prepared using financial information as extracted by the state software and explanations as supplied by district staff. Please review the documents for propriety, and confirm their accuracy.

We have provided Budget Adoption Reports for all of your funds. Your current working budget for 2021-2022 was used for the estimated actual data, while the budget year data for 2022-2023, 2023-2024 and 2024-2025 came from your development budget.

Form CC Certification

This form is an annual certification from your district to the County Office of Education regarding any unfunded liabilities for workers' compensation claims.

Our member districts will be self-insured through the North Coast Insurance Group for 2022-2023. Therefore, please note that we have completed the form for you by checking the box indicating you are self-insured for workers' compensation claims through a JPA. We have also included the following information: "Permissively self-insured through North Coast Schools Insurance Group." The JPA will report any information regarding unfunded liability to your Board during 2022-2023.

Please email signed copies of your Form CB, Form CC, and Certification of Adopted Budget to Lori Rhinehart at lrhinehart@hcoe.org within 5 days of the board adoption of your 2022-2023 Budget, or July 1, 2022, whichever is earlier. Additionally, please include a copy of all revisions made to your Criteria and Standards review documents, if any.

If you have any questions, please feel free to call Kelley Withers at 445-5313 or Lori Rhinehart at 445-7062.

5C. Comparison of District Salaries and Benefits Ratio to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

1a. STANDARD NOT MET - Projected ratio(s) of unrestricted salary and benefit costs to total unrestricted expenditures are outside the standard in one or more of the budget or two subsequent fiscal years. Provide reasons why the projection(s) exceed the standard, a description of the methods and assumptions used in projecting salaries and benefits, and what changes, if any, will be made to bring the projected salary and benefit costs within the standard.

Explanation:
(required if NOT met)

Projected Ratio of Unrestricted Salaries and Benefits to Total Unrestricted General Fund Expenditures exceeds the standard in MYP2 because while continued positions/salaries are projected in that year, much of COVID funding expires and therefore expenditures from those resources are reduced.

6. CRITERION: Other Revenues and Expenditures

STANDARD: Projected operating revenues (including federal, other state, and other local) or expenditures (including books and supplies, and services and other operating), for any of the budget year or two subsequent fiscal years, have not changed from the prior fiscal year amount by more than the percentage change in population and the funded cost-of-living adjustment (COLA) plus or minus ten percent.

For each major object category, changes that exceed the percentage change in population and the funded COLA plus or minus five percent must be explained.
