- Math District Assessment on Fractions - Friday, February 11th
- Mathbox Quiz - Friday, February 11th
- Mixed Multiplication Quiz - Friday February 11th
- Valentine's Day treats need to be brought in by Thursday, February 10th if you are sending them.

Things to Know

Valentines: Valentine treats are welcome. All treats need to be sent to school by Thursday, February 10th

COMMUNICATION HOME: This will come home each Wednesday and have important papers from the school, as well as any graded papers for the week. Please initial or sign each graded assignment and return the next day.

Were you absent? Each teacher has a Schoology Course with daily assignments for students that miss school for any reason (quarantined, sick, personal, etc.) Assignments are due one week after it has been posted. If you would like to watch live lessons (if available) please let the teacher know.

Laptops: Please make sure students are charging their laptops each night. Students will clip down and walk if they have to charge their laptops.

Toys and fidgets are cute but please do not allow your child to bring them to school. Check bookbags!

Classrooms are in need of paper towels if you would like to donate a roll it would be great

Your child needs their own pair of **headphones or earbuds**. We use these on a daily basis in all of our classes.

WHAT WE ARE LEARNING

Math

- In math we are going to extend our fractions unit through the end of the week. I wanted to make sure that students understand and grasp fractions before we take the test. We will be taking our District Unit Assessment on fractions on Friday, February 11th. The study guide went home last week.

Science

We will be putting our soil unit on pause for a few weeks. We had our living organisms arrive last week. We have some crayfish pets in our class that we will study and observe over the next 2 weeks. We will be talking about their habitats, what they eat, and will be working on labeling their body parts.

Social Studies:

- We will be celebrating African American History Month this week.

Reading/Writing

We will be studying character analysis by reviewing previous chapters of *Because of Winn-Dixie*

This week's sight words are: **ten, today, together, try, warm**

- We are working on opinion/persuasive writings.
