District Support Plan 2021-2022

Directions: Insert a link to your district support plan, or copy and paste your district support plan in the box below. Please highlight the literacy plan requirements as defined by Act 1082.

District	Lake Hamilton
Superintendent	Mr. Shawn Higginbotham
Superintendent Email	shawn.higginbotham@lhwolves.net
Superintendent Phone	501-767-2306

Please insert the District Support Plan here:

The district plans to support the schools with the Lake Hamilton Continuity Plan. Please follow the link to access the Lake Hamilton School District's Continuity of Services Plan.

The continuity plan has been reviewed to reflect changes in masks, test to stay, contact tracing, and collaboration time with state and community health officials.

The district will provide a guaranteed and viable curriculum:

According to the Arkansas State Academic Standards, the Lake Hamilton collaborative teacher teams have identified essential standards for each content area. All students will have the opportunity to learn the grade and subject academic standards in the following settings:

On-site learning, the majority of students will receive instruction in a face-to-face setting.

Virtual learning virtual option will be limited to students who have a medical need for off-site learning.

Virtual learning is offered to 9, k-6 students through the Dawson Educational Cooperative Digital Learning Program. Virtual Arkansas will provide virtual learning to 11 of our 7th-12th students.

The district is one to one with digital devices. Kindergarten students will have iPad access, and 1st- 12th-grade students will have Chromebook access.

Diagnostic testing used to identify learning gaps from grades k-2 is Istation, and for grades 3-8 is NWEA. The PRE-ACT assessment will also be used in grade 9.

Junior High and High School will implement the RtI Scheduler in order to provide Tier 2 and Tier 3 supports for students in need of remediation.

Utilization of LMS- k-5th grade will use Seesaw as a management system. The 6th-12th grade will use Canvas as a learning management system.

Social, Emotional, and Mental Health support will be led by a team of building counselors, social workers, and mental health professionals. These professionals will provide individual, small group, and family counseling services.

Each school is implementing the Guide for Life curriculum through building counselors.

The district provides students and families with physical support through the Parent Center. The center will provide families in need of food, clothing, and community resources.

The district liaison will support students and families who may need assistance due to homelessness, foster care, and military family support.

Communications with students, families, and the community will be provided through the district's communication coordinator, district translator/interpreter, and building-level communications representatives.

Allocation of Resources should align with the District Support Plan. Please add additional tabs for ESA funds to the 2021-2022 federal budget in Indistar. Directions for upload are provided.

ADE Feedback:

December 20, 2021

Thank you for submitting your District's Support Plan. While it is best practice to have a District Support Plan, at this time your district is not required to submit the plan in Indistar. Please make sure the Ready for Learning Plan is linked on your district website under State Required Information and updated every 6 months.
