

# BOND PROGRAM UPDATES

WHAT'S COMPLETE, IN PROCESS AND ON THE HORIZON

## February 2022

Severe weather has caused some delays and we've had to adjust some of our focus areas for worker safety, but we're still on track with our bond program!

### New Elementary PreK-6 Building & 7/8 Gym

- The steel is here, and beams and decking are being installed.
- [You can watch the construction progress here 24/7.](#)

### Athletic Improvements

- This work is on hold for the winter, and we'll resume work in the spring.

### Former Middle School and Elementary Building

- We continue to study our elementary and middle school buildings and the costs involved to demo those buildings.

### Junior High (7/8 Grade Addition to High School)

- The 7/8 wing is complete. [Check out the pics!](#)

If you have questions about the bond program, please reach out to Superintendent Rick Frens or Jill VanDyken, Jennifer Gottschalk or Wade Rutkoskie from the Board of Education Facilities Committee at [facilities@schoolcraftcs.org](mailto:facilities@schoolcraftcs.org).

Thank you for your support of our schools and students! Go Eagles!
