SUPERINTENDENT'S UPDATES FOR THE WEEK OF OCTOBER 3, 2022

This week is Homecoming 2022. The staff and student council have been working hard to put on all of the spirit days and other festivities that take place this week. We invite our community members to attend the powderpuff football game, parade, and football game vs Bullock Creek. Homecoming is one of my favorite times of the year because it is a diversion from the normal school schedule and it brings a lot of excitement to everyone involved. If you are an alumnus, you hopefully have some happy memories from your time spent at Millington Community Schools.

Staff Spotlight

This week's Staff Spotlight is Mr. Ernesto Duran, the College and Career Readiness Advisor at Millington Jr/Sr High School. Mr. Duran is a contracted employee through the Michigan College Access Network (MCAN) and has been working with our juniors and seniors the past three school years helping them make college and career goals. Mr. Duran graduated from Heritage High School and went on to earn a Bachelor's Degree in Dance from Oakland University. Mr. Duran is also a member of the Detroit Lions Flag Crew, carrying the flags when the Lions run out on the field and every time they score a touchdown. He is pictured below carrying the "O". October is College Month at Millington High School and Mr. Duran has been busy scheduling college visits and other activities that will help our students meet their college and career goals. He is planning to take what he has learned at MHS to present at the statewide MCAN conference in November.

Cardinals in the Crowd – “Once a Cardinal, Always a Cardinal”

The Cardinals in the Crowd for this week are the Schiefer Family. Mike (2001), Sarah (2003), Ella (2032), and Elijah (2034) were at St. Louis watching the varsity football game last Friday night. Mike wrestled, and played football and baseball throughout his career at Millington High School; he still holds powerlifting records in deadlift (505 pounds), squat (515 pounds), and total weight (1325 pounds). Mike is currently a farmer and works for the Millington DPW. Sarah works as a nurse at Maple Woods Manor in Clio and volunteers her time at Millington Church of God. When she attended MHS, she was in NHS and Peer-to-Peer Counseling. Ella is a third grader in Mrs. Rueger's class and wants to be a veterinarian when she grows up. Elijah is a first grader in Ms. Rainey's class and wants to be a farmer when he grows up.
