## Soup's On

The secondary schools fired up their soup kettles and their creativity to serve up a variety of Homemade Soups for a new bar this month. Hearty Soup varieties accompanying a classic Toasted Cheese included: Chili, Chicken Vegetable, French Onion, Chicken Corn Chowder, Chicken Lo Mein, Taco Soup, Beef Vegetable, Chicken Corn Noodle Soup, Broccoli Cheese and Cheeseburger Soup. The new bar was well received by students and staff.

Showing off their homemade creations are (Left): Kristen Foose and Kelli Houtz of Tuscarora Jr High School.

Liza Bassler, Team Member at EJ High School, dishes up some Chili while Melinda Earnest and Missy McWilliams serve a smile along with a steamy bowl of Chicken Corn Chowder.

## New Team Member

A new smiling face is ready to greet hungry students at East Juniata Elementary. Angela Maneval has joined the Metz Culinary Team. Angie is already a familiar face to a number of students because she drives bus for the school as well. Welcome aboard Angie!!

## Mid-Year Review

Dennis Michaels, District Manager for Metz Culinary, met with Administration for a mid-year review of financials and upcoming events. Thank you for all the support Dennis to the District and to the Metz Culinary Team Members!

## District Orchestra

Juniata Elementary hosted District Orchestra to approximately 150 students. Lunch was provided as well as dinner. Prepping and serving the evening meal consisting of a Pasta Bar with a choice of Sauces, Chicken, Beef, or Meatballs, and a variety of Pastas were: Billie Myers, Linda Bender, Carol Harris, and Ashley Ewing.

## Pretty in Pictures

Juniata Schools are displaying food as a work of art in a variety of ways including walls and on equipment as well as on plates. Examples of this can be seen at Tuscarora Jr High School as framed art on the walls as well as East Juniata Elementary displayed on the pass-through coolers.

## A Life Well Lived

The Metz Culinary Team at JCSD is very sad to report that Kathy Walters, a substitute cook with our organization, passed away in early January after a short illness. Kathy spent time in all the JCSD kitchens but spent most of it at Juniata Elementary where she packed and delivered thousands of classroom breakfasts. Kathy was a light wherever she was, ready to work and with a story to tell. She loved her family dearly but her love didn't stop there, she loved her friends and coworkers as well. Juniata Elementary is not the same kitchen without her, there is an emptiness there without her presence. Until we meet again Kathy, we will dearly miss you.
