

EARTH DAY 2022

Dear Parent or Guardian,

The Seneca Public Library District is celebrating Earth Day this spring by participating in the 13th Annual Neighborhood Forest free tree program, whose aim is to provide free trees to kids every Earth Day.

Since 2010, Neighborhood Forest has reached over 100,000 families and planted over 50,000 (mostly urban and residential) trees through the hands of children and parents across North America.

We are excited to be participating in this wonderful program that teaches kids stewardship through the magic and wonder of planting and watching trees grow.

Fill out the following online registration form by February 28th and receive a free tree (6–12 inches in size) during Earth Week (April 22–30). Trees will be delivered to us and we will arrange to get the trees in the hands of your children on or around Earth Day (April 22nd) via pick up at the library. A SPLD Library Card is not required to participate.

Planting instructions and species information will be emailed a few days prior to the trees arriving.

Register to receive a free tree for Earth Day by scanning this QR code:
or visit www.neighborhoodforest.org and search Seneca Public Library

Thank you for your support and participation,

Anna Allison & Liz Leighner
