- _____ _____ Spanish I
- _____ _____ Spanish II

Electives – Remaining Credits

<u>Sem. 1 Credit Count</u>	<u>GPA</u>	<u>Sem. 2 Credit Count</u>	<u>GPA</u>
<u>9:</u>			
<u>10:</u>			
<u>11:</u>			
<u>12:</u>			

**Raleigh County Schools Graduation Requirements – 24 Credits
Class of 2025**

Use your transcript to determine if you are on track to graduate. You will want to go class by class on your transcript. For each class that you received a half credit for, you will place a check mark on the space provided. Psychology, Sociology, Economics, Geography, Dual Credit courses, Environmental science, Physical Science, Forensics, and College Transition Math have one line since they are one semester long to get a full credit. Health, PE, a fine art, and foreign language all receive a full credit as a one semester course. Any classes that are not individually listed will be written down under the election section. Once finished, count to make sure that credits on your check sheet match the number of credits earned at the top right of your transcripts. **You need 5 credits to be a 10th grader, 11 credits to be an 11th grader, and 18 credits to be considered a senior.**

- ❖ According to Policy 2510, effective July 1, 2018, Digital Imaging can count as a fine art credit starting with the 2018 school year.
- ❖ The following classes are fine art classes: Art 1-4, Theatre 1-4, Band 1-4, Music Appreciation, Musical Theatre, and Digital Imaging. Any additional fine art classes that you have taken will be written down as an elective.

Completer Programs at IHS

Business:

IT1450 Information Management
BM1465 Management and Administrative Support
FI1410 Accounting and Finance

Vocational Pathways at ACT

Automotive Technology (2 years)	Collision Repair (2 years)
