Elementary Principal's Report January 11, 2021

- Enrollment is 222 PK-6th
- Inservice was successful. Teachers were trained in Imagine Math to complete a requirement for special ed accreditation. Lower elementary had a productive team meeting and brought me several good ideas for future inservice, peer observations, teaming time, new-teacher inservice, guided reading, and a scholarship idea to honor Jan Foster. We will be looking to implement these things in the near future.
- This year is science adoption, so teachers will be able to attend a virtual book caravan later this month to view curriculum. (See attached.)
- Elementary basketball has games tonight at Hooker, Thursday at Forgan, and the final games are next Monday (18th) at Tyrone.
- I need to observe all teachers during the third quarter, but my goal is to have that completed by the end of February.

Dear Administrators and Teachers:

Each year, the Oklahoma Educational Publishers Association (OEPA) sponsors a caravan for newly adopted educational material. Publishers present their materials approved by the State Textbook Committee. This year, we are providing a "Virtual Caravan" experience to provide you with a safe and effective way to view approved PreK-12 Science. We urge all local school district committee members and teachers to attend. This caravan allows educators to view all the adopted materials within a virtual presentation setting. The presentations will be recorded and available using the same link you receive after registering throughout the month of February. Should you or your teachers be unable to participate live, you may view and review the presentations at your leisure. If your school district evaluation options include attending caravan, please release your staff to participate.

This year we have scheduled the following four (4) consecutive days in **January** for new approved programs to be presented in **Science and Science Content Reading**,

GRADES PK-5 Tuesday 26th
GRADES 6-8 Wednesday 27th
GRADES 9-12 Thursday 28th
GRADES AP Friday 29th

You **will need to pre-register using a school email address for each grade level band to attend the presentations.** Due to privacy and equity concerns, each attendee will have their own link to the daily presentations. This will allow for custom "chat" and sample requests to our Publishers prior to caravan. **If you want samples in-hand before this caravan, please register early so there will be enough time for you to receive them.**

Elementary K-5 – <https://www.crowdcast.io/e/OEPA-K-5>
Middle 6-8 – <https://www.crowdcast.io/e/OEPA-6-8>
High 9-12 – <https://www.crowdcast.io/e/OEPA-HS>
Advanced Placement – <https://www.crowdcast.io/e/OEPA-AP>

Enclosed is the **Science Virtual Caravan Schedule**. You may also access this schedule on <http://okedpublishers.com>. Please share this information with all your school's personnel.

If you have specific questions regarding this caravan you may contact either Thompson School Book Depository or Archway. For a complete listing of the OK approved Science programs, you may go to the Oklahoma State Department of Education website at <http://oktextbooks.ok.gov/> or contact Rebecca Morales, Directory of Instructional Material and Library Media for the Oklahoma State Department of Education (405-521-3456).

Respectfully,

Board Meetings No Longer Virtual

- Why we had to go back to conducting non-virtual meetings.
- Challenges in televising meetings.

Facilities Update

- Renovations are finished.
- All the renovation fund money will be spent.
- PE /Art facility just about finished
 - Cardinal decal needs to be installed.
 - Floor is still slippery; I have ordered a non-slip coating to see if it will help.
 - We are in the final phase of getting the art room ready for use.
 - Need to do landscaping around the building.

Other Facility Items

- We will be replacing the HVAC unit for the high school science room.
- Looking to replacing the HVAC units in the auditorium.
- Repair to the gym roof, roof over the vocal room and high school east hallway.

CARES II Funds

- The new CARES II funding is estimated to be \$344,362.
- The first round of funding was \$84, 196.
- These funds are based on the number of at-risk students we have in the district.
- We have until June 30, 2022 to spend the funds.

Board Training

- What do you want to do about getting training?
 - On your own, as a group, or both.
