

Peoria County Preschool Screening

Developmental screenings held during the school year are in partnership with SEAPCO. If your child qualifies for additional services with SEAPCO they are able to begin in the classroom once they turn three years of age.

The first step in getting your child enrolled in a quality early childhood program is completing a developmental screening. Children can be screened as early as 2 years 10 months of age.

Appointments may be made by contacting the SEAPCO office 309-697-0880 ext. 234 or 206
