Dear Tonawanda City School District Community:

NEW EMPLOYMENT OPPORTUNITIES:

Please share this message with anyone in your family or among others that may be interested in first or second shift full or part-time/per diem employment:

As we continue to operate our educational program and serve our student population during this pandemic period we recognize and share the same struggles that many organizations and businesses are experiencing with staffing needed positions in our district.

Our school system offers a comprehensive and deep instructional, related support, extra-curricular, athletic, and performing arts programs for our students. In both the delivery of these programs and the operational duties required to maintain and provide the best learning environment requires the support of dedicated and committed employees, both in full-time and part-time/per diem employment.
