

Board of Education Request for Additional Pre-Arranged Absences

In the Morrison CUSD 6 behavior code, all students are given the right to have up to four (4) pre-arranged absences excused. Absences above that limit are deemed unexcused unless they are because of illness, doctor or dental appointments, death in the family, or family emergency.

It has become evident that there are instances where students have the opportunity to enhance their education through experiences that will cause them to miss more than (4) days of school. Reasons for which the Board of Education will consider granting additional days include activities that:

- Further a student's career goals,
- Increase the ability of a student to earn a scholarship
- Further a student's college or post-secondary educational goals, or
- Increase intercultural knowledge

If you believe that your child qualifies for additional pre-arranged absences, please complete the form below.
