

Good morning District 66 Families,

We hope everyone is enjoying their summer! Below is some information regarding free/reduced lunch and tuition fee waivers.

If you think that your child will not be directly certified by the state for free or reduced lunch, please click on the link below to take you to the district website page with the application.

In addition, if you feel your family qualifies for a tuition fee waiver, please fill out that appropriate form and return it to the district office.

Please note - If you have already completed either of these forms and turned them in with registration, please do not submit another.
