Re: Student Hunger Program Donation

Dear Mr. Paradise,

On behalf of the Sanford School Committee and our students, I want to thank Town and Country for the generous Student Hunger Program Donation that just arrived. I will work closely with our School Nutrition Program Director Holly Hartley to make the best use of this unexpected contribution.

Clichéd as the saying goes, it truly “takes a village to raise a child”. We appreciate your organization’s recognition and support of the Sanford community during these unprecedented times.

Best wishes to the entire Town and Country organization and its employees for continued success.

Sincerely,

Matt Nelson,
Superintendent of Schools

Dear Matthew Nelson:

Enclosed is a contribution from Town & Country Federal Credit Union to your school district for programs and initiatives that help support reducing student hunger. We recognize that this is an issue for school districts of any size and know that each district has its own unique services and approach in place to help students who would otherwise go hungry. From school backpacks filled with food to school food pantries, please use these funds to maximize positive impact.

Through our 'Local Helping Local' initiative, Town & Country provides significant support to local businesses, non-profits, schools and other organizations that are so important to our community. The pandemic has only increased the need for many.

We timed this contribution to coincide with the end of Hunger Action Month in September and the first month of school hoping that each district has a clearer picture of the needs of students surrounding hunger. We are making a contribution to each of the 31 districts in Cumberland and York Counties. At Town & Country, we believe that financial wellness and overall wellness are closely aligned. When the basic needs of those in the communities we serve are met, financial wellness is usually more easily achieved.

Please accept this contribution with our deepest appreciation to the administrators, teachers, and other staff in your district for the work they do every day to support students.

If you have an opportunity to share photos of how our contribution is being used, please email Meghan.balvin@tcfcu.com We love to highlight great things happening in our communities.

Thank you.

Best,

Jon Paradise

Senior Vice President of Communications, Marketing and Community Outreach
