To Matt Nelson, Steve Bussiere, and the Sanford School Committee:

On behalf of the Sanford Federation of Teachers, we would like to thank you for your thoughtful gesture and generosity in providing each staff member of the Sanford School District with a financial token of appreciation.

As we all know, this has been a trying year filled with uncertainty and stress. However, with the continued help and support of our Superintendents and School Committee, along with the determination of those working within our school district, we continue to do our best to make the Sanford School District a desirable, safe, and engaging place to work and educate the young minds in our community.

We thank you again for this gesture, and look forward to continuing our hard work and dedication in the new year.

Best wishes, happy holidays, and many thanks,

The Sanford Federation of Teachers
