College Credit Plus is Ohio's dual enrollment program that provides students in grades 7-12 the opportunity to earn college and high school credits at the same time by taking courses from Ohio colleges or universities. The purpose of this program is to enhance student's career readiness and postsecondary success while providing a wide variety of options to college-ready students, at no or limited costs to students and families. At WL-S students can stay in the building and take one of 9 college classes offered in partnership with Edison State. (Students must meet CCP program eligibility requirements per Edison State and have the required paperwork on file to participate.) Attending the CCP Informational meeting is required for program eligibility.
