Adams Central Parents and/or Guardians,

Please be advised that contact tracing, quarantine, and all remaining COVID-specific control measures will no longer take place within Adams Central Community Schools. Student exclusion will now be determined by the same criteria as with seasonal influenza or other viral illness. We will now follow our pre-pandemic protocol, which is fever free for 24 hours and without symptoms.

Effective February 23, 2022, the Indiana State Department of Health will no longer require the reporting of positive cases by schools. COVID-19 will now be considered/handled as any other viral illness. I will update our Covid-19 Reentry Plan to include new Indiana Department of Health recommendations for situations involving positive COVID-19 cases.

On behalf of the School Board, Administration, and Staff, thank you for placing your trust in our school leaders and staff to always put the needs of your children first and foremost, as we were faced with difficult situations regarding implementing required State and Federal COVID-19 protocols.

Thank you,

Joel D. Mahaffey
