Dear Parents,

Our school policy on breakfast and lunch accounts are changing.

As of right now, the policy has been that a hot breakfast is served to any child, even if account is delinquent. And for lunch, the school policy is that after a -\$20.00, an alternative meal is offered. This is a cold sandwich and milk, for \$1.25.

Effective **November 6, 2017**, the following changes are going into effect:

NO HOT meals will be served after the child's meal account balance is -\$20.00 or over.

Breakfast will be a breakfast bar and milk for \$.75.

Lunch will be a cold sandwich and milk for \$1.25.

After the amount goes over **-\$40.00, NO MEALS** will be served for breakfast or for lunch.

At lunch, your child will go to the office instead of lunch room. After lunch, they will go out to recess with their class.

We do not want to have to implement these policies, so please keep an eye on your child's account and update accordingly. If you are unable to pay the balance right now, but can pay daily, your child will receive a hot breakfast and/or lunch. That would be \$1.50 for breakfast and \$2.50 for lunch. A daily total of \$4.00.

If you even think you might be eligible for free or reduced meals, please fill out the application.

It is very simple, and very discreet. No one will know that your child is on the free and reduced lunch program.

If you have any questions, please contact your school administrators.

Thank you,

Rob Turner
Superintendent
