

Pretty Prairie * USD 311

We Educate For Success

USD 311 will be providing free dental screenings to all students enrolled in our schools in compliance with Kansas State Statute 72-5201. All students will be screened unless the parent/guardian does not want their student to participate.

Oral health is an important part of children's overall health, and is a critical component in the child's ability to learn and succeed in school. If you wish to opt out of the screening please fill out and return the form at the bottom of the page. If your child does participate, a copy of the results of the screening will be sent home with the student.

If you have any questions, please feel free to call the district office at 620-459-6241 or the main offices at your child's school. The MS/HS office can be reached at 620-459-6313; the GS office can be reached at 620-459-6621. Thank you for your cooperation.

Please complete this form if **YOU DO NOT WANT YOUR CHILD TO PARTICIPATE**.

☐ **I do not wish to have my child participate in the free dental screening.**
