### **BOARD SELF-EVALUATION**

The Board of Education is committed to the continuous improvement of the district and its own functioning. Accordingly, the members of the Board shall conduct an evaluation in or about February of each year to determine the degree to which they are meeting their responsibilities as Board members and the needs of their educational community.

This self-evaluation shall be positive, frank and honest, and shall focus on evaluating the Board as a whole, not as individuals. The self-evaluation will be used to set the goals and objectives for the following fiscal year in or about September of each year. The Board shall use a Super Eval as the instrument provided by the Superintendent of Schools.
