

School District 25 Policy

Policy Dissemination And Compliance

Policy 1220

Adopted: July 28, 1998

The Superintendent is directed to establish and maintain an orderly plan to preserve and make accessible the policies adopted by the Board, as well as the administrative procedures promulgated by the Superintendent.

All employees are responsible for complying with all policies of the Board, administrative procedures and directives of their supervisors, and the Wyoming Education Code and other statutes.

The Board of Trustees reserves the unilateral right to amend or repeal all policies that are presently adopted or that may be adopted in the future at any time.
