

Lunch ordering is now OPEN! Lunches for **October 3rd - 28th** can be ordered until midnight Sunday 9/25/2022 at which any **unpaid** orders will automatically be **deleted**.

## MONTHLY ICE CREAM

Friday, October 14th

**At FJS and Central you will select a specific ice cream option for your student(s).**

You can order more than one item per day but DO NEED to UNSELECT an item if you change your mind after it has been selected.

**Please go to [www.myFoodDays.com](http://www.myFoodDays.com) and go to the settings page and update your contact information with a phone number I can reach you at during the day. Please check both email reminder options, as this is the only way you will receive our email reminders and lunch information.**

For future lunch dates and other PTA events, please visit us at [www.easthanoverpta.org](http://www.easthanoverpta.org).

If you have any question about your order, or our PTA lunch program, please contact me at [ehptalunches@gmail.com](mailto:ehptalunches@gmail.com).

**PLEASE SCROLL DOWN TO READ THE ENTIRE MESSAGE FROM THE EHPTA**

***While nothing sourced from food vendors will feature nuts as a "listed ingredient", we cannot guarantee that said items are peanut/tree nut free as many foods are manufactured or cooked in facilities that also process potential food allergy products. Cross-contamination, therefore is always a possibility.***

***As has always been the case, it is the parents' responsibility to reach out to the school nurses, school administrators or the specific food vendor regarding the ingredients of specific food items and potential dangers of cross contamination.***

***Please also know that school personnel are solely responsible for ensuring children with food allergies are properly identified and monitored in the cafeteria. Due to privacy laws, this sensitive student medical information is not provided to food servers or EHPTA representatives, and EHPTA members are not present during the serving of meals.***

***Please note that we are not responsible for any mistakes in ordering and do not offer refunds under these circumstances. Also, we cannot issue any refunds for lunches that were not picked up due to absences. If you would like to pick up lunches for a student, please contact the school directly.***

***Some items may vary in flavors due to the national ingredient/supply shortages and delivery delays. We apologize for any inconveniences.***
