

OHS and OMS Students,

Remember - Title IX **guarantees** you the right to equal educational opportunities and a safe learning environment! If you see something that seems unsafe or discriminatory, say something! You can make anonymous reports using StopIT, and you can also report inappropriate or unsafe behavior to Mr. Sappington, Mrs. Adkins, or another trusted adult!

We're to help you in any way we can! Have a great week!

Mr. Sappington, Title IX Coordinator
Mrs. Adkins, Deputy Title IX Coordinator
