Victory with Honor

All Andrada Polytechnic High School students are expected to model the six pillars of character: **Trustworthiness, Respect, Responsibility, Fairness, Caring, and Citizenship**. It is expected that the Andrada faculty, staff, students, and their parents will demonstrate the six pillars as part of their daily lives. This will create an environment conducive to the development of upstanding citizenship. Students and parents are asked to support and endorse these pillars in a school-wide effort to improve and promote good character traits.

REGISTRATION PACKET

Moving to electronic format using Register My Athlete this season:

<https://www.registermyathlete.com/#>

ACADEMIC ELIGIBILITY

To be eligible for AIA competition, students must be passing all of their classes and have a minimum of 2.0 GPA. Grades will be checked every Friday afternoon. Starting on Monday, if a student is eligible, he/she will remain eligible for the week and the student's grades will not be checked in the interim (ECAP & SEP grade will affect eligibility). Starting on Monday, if a student is not eligible, he/she will remain ineligible until he/she has met the criteria for eligibility. Grades posted at the end of each semester are the grades to be used in determining eligibility at the end of the semester.

Students who are ineligible for competition remain eligible for practice at the discretion of the coach.

- Students may continue to practice as usual.
- Students may attend games, but will not be permitted to wear a uniform.
- Students will not be permitted to travel with the team.

ATTENDANCE

Unless there is a satisfactory reason, all participants shall report for practice the day the first call is made for that activity.

Being excused from practice will be granted by the coach/sponsor of the team.

A student who is not in attendance for a minimum of 2/3 of the school day may not practice that day.

CLUB SPORTS

AIA Bylaw Article 14.4.1: A student who is a member or becomes a member of a school team shall not practice, have practiced or compete with any other group, club, organization, association, etc., in that sport during the interscholastic season of competition. This rule applies to the following team sports: football, baseball, basketball, volleyball, soccer, softball, track relay and swimming relay teams. For purposes of this rule, the interscholastic season of competition shall begin with the first regularly scheduled game and conclude with that particular team's final game. Any student violating the above rule shall forfeit his/her eligibility for a minimum of the balance of the season for that sport or up to a maximum of one calendar year.
