Dear Stacey Bissell,

The Maine Department of Education's programmatic monitoring is based on requirements in the Individuals with Disabilities Act (IDEA) and its implementing regulations, on any additional guidance provided by the U.S. Department of Education's Office of Special Education Programs (OSEP), and on requirements of Maine regulations, specifically Chapter 101.

Thank you for your participation in the MDOE's special education monitoring program for the school year 2020-2021. Your school district has completed the process with no further actions needed. Please share my commendation with your dedicated staff.

Sincerely,
