

Good afternoon OHS and OMS students,

Did you know that one of the functions of Title IX is that it demands equal access to athletics for both boys and girls? Click the link below and read more about how Title IX ensures that both genders have equal athletic opportunities. While you're there, you can scroll down and read information regarding how Title IX affects athletic scholarships, athletic funding, and other interesting topics!

As always, if you have any questions or concerns regarding Title IX, please do not hesitate to reach out to Mr. Sappington or Mrs. Adkins. Also, please remember that you can always go to a trusted adult or use the Stop!T app to report instances of bullying, harassment or discrimination.
