Math: Math K-12

Holyoke Elementary School

Colorado Aligned Math Survey 2-5

Term	Grade	Student Count	Mean RIT	Std Dev	Median
Fall 2004-2005	4	1			
Fall 2002-2003	5	5			

Colorado Aligned Math Survey 6+

Term	Grade	Student Count	Mean RIT	Std Dev	Median
Spring 2001-2002	6	2			

Explanatory Notes

Due to statistical unreliability, summary data for groups of less than 10 are not shown.
A goal mean shown with ***bold italic*** represents performance that might be an area of concern. A goal mean shown with **bold underline** represents an area of relatively strong performance.

Explanatory Notes

Due to statistical unreliability, summary data for groups of less than 10 are not shown.
A goal mean shown with ***bold italic*** represents performance that might be an area of concern. A goal mean shown with **bold underline** represents an area of relatively strong performance.

Explanatory Notes

Due to statistical unreliability, summary data for groups of less than 10 are not shown.
A goal mean shown with ***bold italic*** represents performance that might be an area of concern. A goal mean shown with **bold underline** represents an area of relatively strong performance.

Explanatory Notes

Due to statistical unreliability, summary data for groups of less than 10 are not shown.
A goal mean shown with ***bold italic*** represents performance that might be an area of concern. A goal mean shown with **bold underline** represents an area of relatively strong performance.

Explanatory Notes

Due to statistical unreliability, summary data for groups of less than 10 are not shown.
A goal mean shown with ***bold italic*** represents performance that might be an area of concern. A goal mean shown with **bold underline** represents an area of relatively strong performance.

Explanatory Notes

Due to statistical unreliability, summary data for groups of less than 10 are not shown.
A goal mean shown with ***bold italic*** represents performance that might be an area of concern. A goal mean shown with **bold underline** represents an area of relatively strong performance.

Explanatory Notes

Due to statistical unreliability, summary data for groups of less than 10 are not shown.
A goal mean shown with ***bold italic*** represents performance that might be an area of concern. A goal mean shown with **bold underline** represents an area of relatively strong performance.

Explanatory Notes

Due to statistical unreliability, summary data for groups of less than 10 are not shown.
A goal mean shown with ***bold italic*** represents performance that might be an area of concern. A goal mean shown with **bold underline** represents an area of relatively strong performance.

Explanatory Notes

Due to statistical unreliability, summary data for groups of less than 10 are not shown.
A goal mean shown with ***bold italic*** represents performance that might be an area of concern. A goal mean shown with **bold underline** represents an area of relatively strong performance.

Explanatory Notes

Due to statistical unreliability, summary data for groups of less than 10 are not shown.
A goal mean shown with ***bold italic*** represents performance that might be an area of concern. A goal mean shown with **bold underline** represents an area of relatively strong performance.
