

School Choice 2023-2024

The White Hall School District will begin accepting School Choice applications on January 1, 2023.

The deadline to submit your application is May 1, 2023.

Because there may be a limited number of openings in certain grade levels, applicants are on a first come first serve basis. Each application will be date and time stamped as it is received. **If you have more than one child applying, please fill out a separate application for each child.**

We will be accepting applications online and through the mail. Mail must be postmarked no later than May 1, 2023.

Steps for Online Application

Step 1: Download the *Application for School Choice Transfer Form*

This is a fillable form. You will need to fill it out and save to your computer or you can print it, fill it out, and scan it to your computer. You will be asked to upload this form at the end of the online application for School Choice Transfer. It would be beneficial to have this form filled out and ready when you complete the online application.

(This is the same form that you would mail if you choose not to apply online.)

Step 2: Submit an *Online Application for School Choice Transfer*

When you submit this online application it will automatically be date and time stamped. At the end of this online application there will be a section to upload your completed *Application for School Choice Transfer Form*.

Step 3: Upload your completed *Application for School Choice Transfer Form*

We must have this form on file to be able to process your school choice request.

If you choose to mail your application, it must be postmarked no later than May 1, 2023. Please mail to:
