February 11, 2022:

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2021-22 educational progress for Bloomington and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact me, Dr. Deanna Dobbins, for help if you need assistance.

Each school will also be communicating their own AER to parents directly.

Review the table below listing our schools. For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming

student subgroup in 2018-19. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2017-18. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2016-17. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
Bloomington Middle & High School	ATS Additional Targeted Support	No Funded Strategies

Bloomington Public Schools has great teachers, staff, and students. We will continue to work hard to identify student needs and use research-based strategies to help students achieve. This year we have implemented new programs, reduced class sizes, hired additional staff, and at the Middle and High School we implemented Cardinal Wednesday to assist in these efforts. Please continue to encourage your students to be at school daily and to do his/her best.

Sincerely,

Dr. Deanna Dobbins, Ed.D.
