

Kids Heart Challenge™ is coming!

As a Kids Heart Challenge Heart Hero, your student will learn about heart, brain and vascular health, meet kids with special hearts and raise funds for all hearts. The use of virtual reality, videos, gaming and more makes learning both interactive and fun. Plus, your school can earn PE equipment and your student can earn fun thank-you gifts!

Watch for date announcements from your school.

KHC Highlights

-  Helping others feels good
-  Daily health challenges
